

COLLEGE OF ENGINEERING AND TECHNOLOGY, BHUBANESWAR

PLACEMENT BROCHURE 2017-18

CET AT A GLANCE

The establishment of CET Bhubaneswar in 1981 manifests the vision of sustainable generation of quality technical education resources in tandem with dynamic global scenario. Initially under OUAT (Odisha University of Agriculture and Technology, Bhubaneswar) CET became a constituent part of BPUT (Biju Pattnaik University of Technology) with effect from 9th July 2002. In recognition for its excellent academic culture, distinguished alumni base and quality training and research, it has been receiving grants from the World Bank through MHRD, Govt. of India under TEQIP-II (Technical Education Quality Improvement Program). The college has been rated A grade by NAAC in the year 2017 and four branches of the college namely Mechanical Engineering, Electrical Engineering, Civil Engineering, Instrumentation and Electronics Engineering received NBA accreditation in the year 2016. The college also features chapters of national and international societies such as ASME, EWB, SAE to name a few. The college offers under-graduate and post-graduate program in engineering and science.

To emerge as a global leader
in technical education.

To generate on a sustainable
basis quality technical energy
resources commensurating
with the dynamic global scenario.

Mission
Vision

From Principal's desk Prof. (Dr.) P.K.Patra

On behalf of College of Engineering and Technology, Bhubaneswar it is my pleasure to welcome you all to this beautiful campus. This institute has been known for its technical excellence for more than three decades and we strive hard to keep up that tradition. It's in fact a matter of great pride for me to state that CET has a brand name in the field of technical education and attracts the best talents from not only the states but from all over the country.

It is indeed a pleasure to mention that the college attracts the best talented students through the Joint Entrance Examination (JEE-Main) conducted by the government of India and this institute is the first choice out of all the colleges of Odisha, be it undergraduate (UG) or postgraduate (PG) programmes in engineering, science, architecture and planning.

Teaching the best students pose a challenge before the faculty members as they have the task of transforming these good students to skilled technocrats and be a better person. The qualities and skills that the students imbibe here empower them to working in global environment. Whether you have regularly recruited our graduates and post-graduates or you are visiting us for the first time, I am sure you will find our students very competent and you will like to visit us again, year after year. We look forward for an enduring relationship.

OUR ALUMNI

WHY RECRUIT US?

1

It goes by the saying "It is the spirit within you which persuade you to challenge your limitations, to discover the undiscovered and subvert the paradigm": It has been 34 years (3rd oldest institute of Odisha) since the establishment of CET-b and it is the spirit of the institute that is intact which CETians imbibe and carry forward whenever they go.

The constant endeavour to surpass the orthodox paradigms in engineering since its very inception in 1981 distinguishes CET-b from the rest. CET-b has set many benchmarks in academics, research, internships, placements and now the pursuit of quality has become a never ending journey.

2

3

Over 3 lacs state students appear for Joint Entrance Examination Mains out of which only the meritorious few of Odisha and India pursue their graduation degree programme in the premier college of Odisha Government, CET-b. This highly rigorous procedure ensures that only the best of the students of Odisha and India get the opportunity to study in CET-B.

ACHIEVEMENTS

Pamela Satapathy: IAS 2015 (AIR-51)
 Sagarika Nath: IAS 2016 (AIR-199)
 Partha Sarathi Tripathy: IES 2015 (AIR-2)
 Pranay Piyusha Jena: IES 2015 (AIR-42)
 Rahul Sharma: GATE 2017 (AIR-72)
 Subhashree Rath: OAS 2016 (Rank-15)
 Sambeet Satapathy: OAS 2016 (Rank-53)
 Priyadarshini Sahoo: OCS 2015 (Rank-85)
 Chandrakant Mallick: OCS 2015 (Rank-20)
 Juhi Samal: European Biomaterials Conference (1st Prize)
 Chandrakant Hembram: OCS 2015 (Rank-667)
 Soumyaranjan Mohapatra: OCS 2015 (Rank-140)
 Preetish Mohanty: XAT-99.883 %ile, NMAT-99%ile
 Ashutosh panda: XAT-99.06%ile
 Tworit Dash: Seminar in EURUKO.Austria
 Tarashish Mishra: Seminar in EURUCAMP. Germany
 Nikita Choudhary: Paper Presentation at DPU China
 Bibhav Behera: Jurassic World Cinematography Team

**Best Education Institute
in East Zone**

**G.N. Gupta Memorial Award
for Outstanding Achievement
in Education and Research**

Finals SAE BAJA 2017

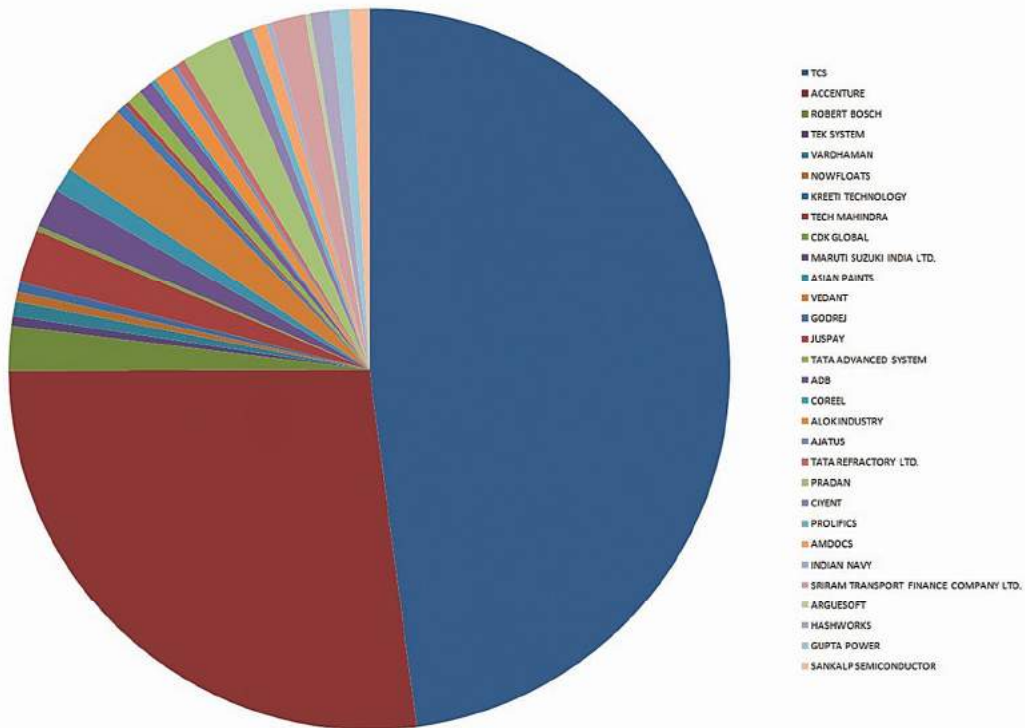

Finals ASME HPVC 2017

**Runners-up at RBI
POLICY CHALLENGE**
