OUTR AT A GLANCE

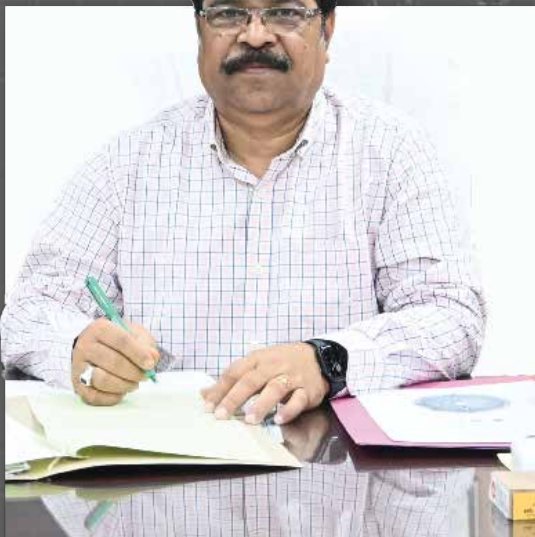

Odisha University of Technology and Research (OUTR) was established in 1981 as an affiliate college of the Odisha University of Agriculture and Technology to meet the growing demand for technical manpower in the state. Initially, it was known as the College of Engineering and Technology, Bhubaneswar (CET-B), and in 2002 it became a constituent college of Biju Patnaik University of Technology (BPUP), Odisha.

Over the years, due to an increasing demand for technical man power, additional undergraduate and postgraduate programs were added. In 2017, the institute was granted autonomy by the University Grants Commission (UGC) for ten years.

In 2021, the Odisha state cabinet upgraded CET-B to a non-affiliating unitary university and renamed it as Odisha University of Technology and Research (OUTR). Today, the university offers a wide range of academic programs, including 9 different B.Tech programs, 22 M.Tech. programs, integrated M.Sc programs, M.C.A, B.Arch, B.Plan, M.Arch and M.Plan.

FROM THE VICE CHANCELLOR'S DESK

Prof. (Dr.) Bibhuti Bhusan Biswal
VICE CHANCELLOR

Odisha University of Technology and Research has been striving for the overall development of its students since its inception. The Institute provides multiple avenues for the students to learn inter and intradisciplinary subjects during their tenure at this temple of learning.

The Odisha University of Technology and Research seeks to improve upon this goal every year, the latest developments being the addition of microspecializations and the International Summer and Winter Term, arrangements that ensure that our students learn beyond the boundaries of their enriched curricula disciplinary boundaries.

I would like to compliment and congratulate our industry partners for being steady and consistent in their partnership with us.

FROM THE TRAINING AND PLACEMENT OFFICER'S DESK

Prof. (Dr.) Bibhu Prasad Dash
TRAINING AND PLACEMENT OFFICER

“

It is a true honour for us to present to you a group of highly motivated, well-trained, and equipped professionals who are ready to take on the opportunities and difficulties of the business and industry world.

The live industrial projects, specialised webinars, and general training are just the icing on the cake. Students routinely participate in mock exams and soft skill training on pertinent and important topics in order to advance their knowledge in a variety of fields of employment and satisfy the demands of the industry.

And with that, the entire OUTR team wishes to extend its sincere and unending gratitude to all the organisations for their invaluable assistance in making this endeavour a huge success. We pledge to bring excellence and gratitude to the table.

”

OUTR- USPs

EXTRAVAGANT MINDS

OUTR, one of Odisha's premier government universities is one of the first choice for admission of JEE aspirants. Being the top tier university after IIT and NIT in the state, it witnesses soaring cut offs every year. The cut off for the year 2023 has been as high as 11091 for computer science and engineering.

GLORIOUS PAST

Since its foundation, OUTR has been a leader in fostering the growth of the state's technical skills and in moulding students' minds to serve the global community in all spheres. A well established relationship with the alumni also contributes to the institution's overall success and the welfare of its students.

HOLISTIC DEVELOPMENT

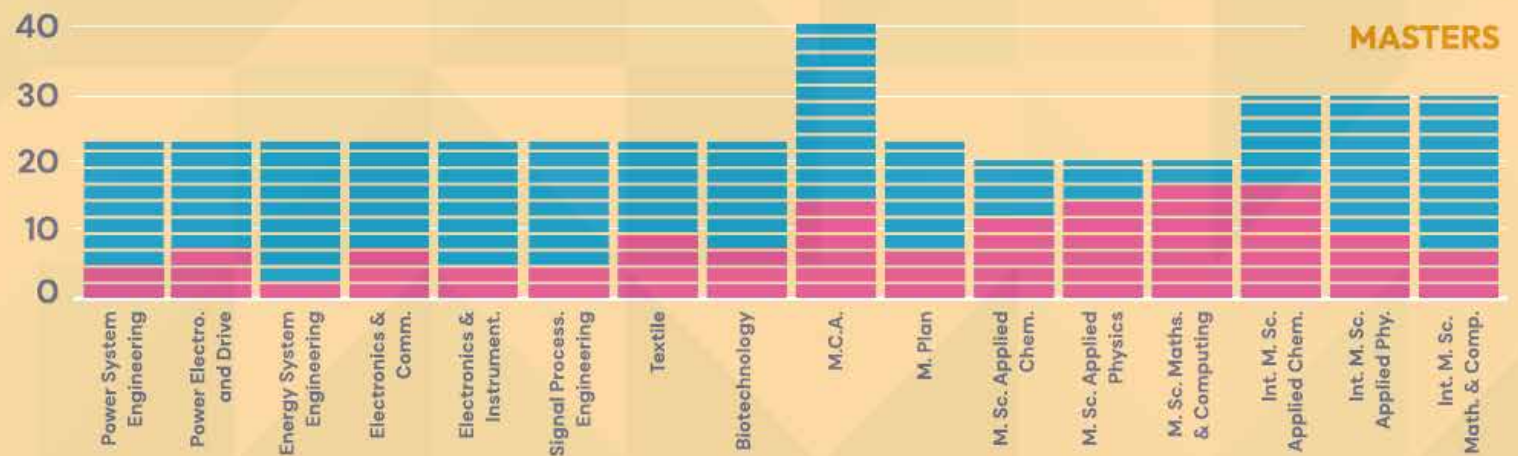

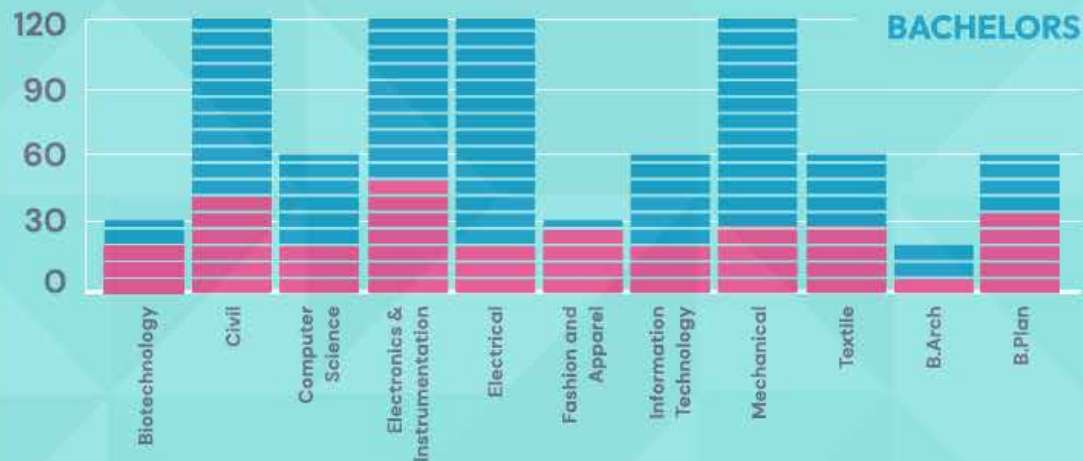

Students at OUTR are constantly one step ahead. The curriculum includes developing soft skills, and extracurricular events as well as open-ended learning promote them in all ways. The OUTR students have succeeded by earning certifications in SAP, Cisco, Amazon, AWS, Red Hat, Blue prism, and MATLAB.

ALUMNI CONNECT

Through engaging seminars, workshops, and interactive sessions with eminent alumni, OUTR offers a platform to connect and utilise the students with its exceptional alumni network and thereby provide the fundamentals of the industries. This gives the students a head start in the placement situations by exposing them to actual industrial experiences.

THINKING OUT OF BOX

Cultural Clubs

Amuza is an extracurricular hub designed to engage students in the performing arts and theatre. Arpeggio is the musical society that nurtures and encourages the musical interests and skills of students. TDA : The Dance Authority believes in grooving on the beats of the heart. Inkvent is the Art and craft club of OUTR. It nurtures the creativity within students to showcase in the form of painting, sketching, designing and crafting.

Technical Clubs

Zairza is an exclusive club consisting of three wings software, hardware and design. Spectrum, electronics and robotics engineers club. Aerospace Club is a club dedicated to astronomy and aeronautics. ASME, American Society of Mechanical Engineers. Society of Automotive Engineers, a club for automotive enthusiasts. Biozo, Biotechnologists' Club. Civicon is a club for planners, architects and civil engineers. Energy, electrical engineers club.

Socio-Literary Clubs

OUTR's socio-literary club associates with CETADEL, a literary club inking the emotions. Engineers Without Borders, is a vision to solve the problems around us in a sustainable way. , National Service Scheme, develops the personality and character of the student youth through a voluntary community.

LIFE AT OUTR

XTASY

OUTR's annual cultural festival XTASY is one of the largest in the state and attracts thousands of participants. It is a student partnership that creates meaningful connections and social prosperity among diverse universities across the country. The fidelity and dedication of our students bring out the ideal combination of fun, enjoyment and passion.

Perception

Perception is OUTR Bhubaneswar's annual Techno-Literature-Management festival offering an exciting 3-day experience. More than 50 events, think talks, exhibitions, startup fairs, OUTR-MUN, Quora meet-up, and more are attended by the state's student community.

Engineer's Cup

Engineer's Cup - OUTR's annual sports festival. It has over 1000 athletes from 15 different universities in Odisha. The sports extravaganza takes place from the end of February to the beginning of March every year.

CONNECT, GROW, SUCCEED

Training & Placement Cell

Training and Placement Cell manages internship and university placement and also organizes various training programs and seminars for the holistic development of students. The cell provides amazing exposure to the students for skill development and knowledge.

Alumni Cell

The Alumni cell of OUTR, the single point of contact between the Alumni and Institute, offers our Alumni a host of services that helps them keep in touch with their batch mates and also keep them updated on campus happening.

Entrepreneurship Development Cell

The ED Cell-OUTR is a community of extremely talented and driven individuals. Members here constantly explore new ideas and opportunities, and are not afraid to take risks in pursuit of their goals. Whether it's through brainstorming sessions, mentorship programs, or simply sharing resources and advice, They help each other grow and succeed.
